

People in History

We have been studying a person in history called ...

There are different views about this person. Some people think he/she was

In the opinion of other people he/she was ...

My own view is that

The reason I think this is

Useful
words

We have been studying about ...

Before we studied this person I thought that.....

However, I have learnt several new things, such as

Now I realise that

The most surprising thing I learned was
