

Using a microscope

Draw lines from the boxes to the diagram to show the parts of the microscope.

Eyepiece Lens: the lens at the top that you look through

Stage: the flat platform where you place your slides

Method (What we did)

First, we _____ the slide onto the stage of the microscope.
_____ we _____ the light to illuminate the onion cells. Next we _____ the knob so the second lens almost touched the slide. After this we _____ the eyepiece lens. _____ we _____ the knob _____ to bring the onion cells into focus.

*Use the words in the box below to **fill-in** the blanks in the text/paragraph/passage above.*

or

*Using the words in the box below **complete** the passage above. Use each word only once - **cross off** each word once it has been used.*

Finally	turned	upwards	looked down
put	switched on	Then	turned

Write instructions on how to use a microscope in the correct sequence.

Turn upwards	Put
Switch on	Look down
to illuminate	

Instruction (What to do)	Correct order (Sequence)
