

# A Ghost Story

These questions will help you to write your story.

Who are you?

Who was with you?

What time of day was it?

Where was the house?

How did you get to it?

What did it look like?

What kind of door did it have?

How did you get in?

What did you see inside?

What did you hear?

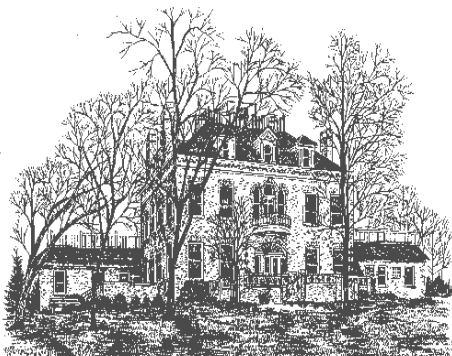

What rooms did you go to?

What did you find?

Why did you think it was haunted?

What happened next?

How did you get away?

## Places in the house

stairs      staircase      doorway

passage              hall      kitchen

bedroom              library

## Describing words

empty              quiet              secret

dark              gloomy              cold

scary              spooky              creepy

large              tall              creaky

## I saw

a white shape              a glowing light

a little girl              a beautiful lady

an old man              a smiling face

a hand              a scary face

## I heard

a noise              a strange noise

a crash              someone laughing

someone crying              the door open

the stairs creaking

footsteps
